Summary

Result-oriented Frontend Developer with over 1 year of commercial experience building high-performance web (React) and mobile (React Native) applications. Specialized in crafting premium UI/UX with complex animations (Framer Motion) and integrating AI-driven features (GPT-4 API) into corporate ecosystems. Security-focused developer whose personal architecture passed a professional OWASP penetration test with 0 vulnerabilities found. Proficient in managing complex global states (Redux Toolkit), implementing multi-language support (i18n), and building full-stack MVPs with Node.js and PostgreSQL. Fluent in Czech (B2).

Technical Skills

Core Frontend: JavaScript (ES6+), TypeScript, React, React Native, Next.js, Vite.

UI & Styling: Tailwind CSS, CSS3 (Advanced Animations, Parallax, Micro-interactions), HTML5.

State & Data: Redux Toolkit, Context API, REST API Integration, Axios, i18next (i18n).

Visualization & Design: Recharts, Lucide React, Figma (Prototyping).

Core Backend: Node.js, Express, Prisma ORM, PostgreSQL.

DevOps & Tools: Docker, Git (Git Flow), Storybook, Framer Motion, OWASP Security Testing.

Methodologies: Agile (Scrum), Code Review, Cross-team Collaboration.

Work Experience

Feb 2025 - May 2026

QRI Tech, Remote - *Frontend Developer / React Developer*

- Leyla App (AI Language Learning): Architected reusable UI components and personalized adaptive logic in React Native, optimizing layout performance for seamless micro-learning experiences.
- Systematica-GPT (Corporate AI): Developed the user interface from scratch and integrated OpenAI GPT-4 API to create specialized AI personas for industry-specific tasks, reducing manual data processing time.
- MZK (Industrial Service): Engineered frontend architecture and complex optimization algorithms for furniture material cutting, minimizing waste and transforming manual industrial calculations into an automated, high-precision workflow using React, TypeScript, and Vite.
- Teamwork & Standards: Actively participated in technical discussions and code reviews, ensuring high-quality code standards and UI/UX design consistency across platforms.

Selected Projects

Web Portfolio (Personal)

- Developed an interactive portfolio with high-end animations, Glassmorphism, and Parallax effects.
- Passed a professional Security Penetration Test (OWASP WSTG standard) with 0 vulnerabilities found.
- Tech: React, Framer Motion, Tailwind CSS.

SyncSpace (Crypto Portfolio Tracker & Organizer)

- Built a dynamic UI with Recharts for financial data visualization and i18next for seamless localization.
- Connected Moralis, Etherscan, and CoinGecko APIs to fetch live blockchain data and market prices.
- Full stack capability to support the complex frontend, independently implemented a lightweight backend using Node.js/Express and Prisma (PostgreSQL), and containerized the setup via Docker.

Languages

English: B1+ / B2 (Intermediate / Upper-Intermediate) – Currently pursuing B2 via NEXA Academy.

Czech: B2 (Professional Working Proficiency).

Ukrainian / Russian: Native.

Education

Aug 2026 - Present

SoftServe Academy - *Full Stack JavaScript Complete Program (In Progress)*

Focus: Modern Frontend with AI, JS/TS Fundamentals, Database Architecture, Advanced React.js, React Native, Advanced Node.js Backend, and DevOps.

June 2022 - March 2025

IT-Step Computer Academy - *Diploma in Software Development*

Focus: Full-Stack Web Development (React, Angular, ASP.NET Core, PHP/MySQL), OOP & System Architecture (C#, C++), Databases (MS SQL Server, Oracle), and Mobile App Development.

Sept 2018 - Aug 2021

Junior IT Step Computer Academy - *Information Technology Program*

Focus: Web Development (HTML5, CSS3, JavaScript), Game & Mobile Development (Unity, Construct 3, AR), and UI/UX & Digital Design (Adobe Photoshop, Illustrator).

Certifications & Courses

March 2026 - Present

Nexa Academy - *IT Business English Course (In Progress)*

Focus: Professional Communication for Software Engineers, Technical Documentation, IT Business Terminology, and Interview Preparation (Target Level: B2 Upper-Intermediate).

Oct 2022

Cisco Networking Academy - *IT Essentials: PC Hardware and Software (Cert ID: bfff6986-4049-454c-9412-8e4b2ecf282d)*
